Frequently Asked Questions

Community Investment 2017-2018

What is the importance of the Community Investment campaign?

In order to provide our faculty and students with the resources they need to learn and thrive, Anthem Prep asks for support for the Community Investment campaign. The Community Investment campaign is an annual fund which covers the gap between what we need to deliver a top-tier education that our children deserve and what we receive through public funding. Your contribution directly supports the school's operating budget. In fact, a portion of Anthem Prep's budget is provided by gifts from parents, grandparents, and friends to the annual Community Investment campaign.

When you make a tax-deductible gift to the annual Community Investment campaign, you help Anthem Prep pay, reward, and retain our excellent and dedicated faculty. You help run fantastic arts, music, and language programs as part of a student's school day. And you support enhancements and maintenance for our beautiful campus. Your gift supports virtually every aspect of school life.

What can you give?

Anthem Prep asks each family to contribute \$1,500 per student per year to help cover the gap between what we need for our academic model and what we receive from public funding.

We appreciate gifts of any size and hope that we can achieve 100% participation from our families. With this, we can demonstrate the value our community places on educating their children and motivate others to support our school.

How can I donate?

It's simple. You can spread your contribution out by making monthly gifts by credit card or electronic fund transfer during Anthem Prep's fiscal year, July 1 through June 30.

You can also make a one-time gift to the Community Investment campaign by donating online at anthemprep.org/support, dropping off a check at Anthem Prep's front desk, or mailing your gift to the school at 39808 North Gavilan Peak Parkway, Anthem, AZ 85086.

Please call Diane Tyson at 623-223-1588 if you would prefer to make your donation over the phone.

All donations are tax deductible!

How is this contribution different than the Tax Credit drive?

The Tax Credit drive is another vital way you can enhance the experience of our students. All gifts to the Tax Credit drive support our qualified extra-curricular and character building programs, allowing our students to receive the full Great Hearts educational model. Tax Credit gifts can be made online at anthemprep.org/support. In addition to making your own Tax Credit contribution, please tell your families and friends about this opportunity, so they can support Anthem Prep and receive a dollar-for-dollar credit on their state taxes!
